BEFORE THE BOARD OF PATENT APPEALS
AND INTERFERENCES

Ex parte KAZUO IWAI

Application 10/006,569

ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was received electronically at the Board of Patent Appeals and Interferences on April 16, 2007. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being electronically returned to the examiner. The matter requiring attention prior to docketing is identified below:

An examination of the Image File Wrapper (IFW) reveals that an Examiner's Answer was mailed April 20, 2006.

Section § 1207.02 of the Manual of Patent Examining Procedure
(MPEP) (8th Ed., Rev. 3, August 2005) states:

Requirements for Examiner's Answer

The examiner's answer is required to include, under appropriate headings, in the order indicated, the following items:

. . . .

(8) Evidence Relied Upon. A listing of the evidence relied on (e.g., patents, publications, admitted prior art), and, in the case of nonpatent references, the relevant page or pages.

It is noted that while the Examiner's Answer states that "[n]o evidence is relied upon by the examiner in the rejection of the claims under appeal" [page 2 under the caption "(8) Evidence Relied Upon"], the claim rejection is listed as follows:

Claims 11-22 and 24-27 are rejected under 35 U.S.C. 103(a) as being unpatentable over Kurschner et al. (US Patent 5,632,676) in view of Nishimoto et al. (US Patent 6,165,964) and Takahashi (US Patent 6,352,727) [page 3].

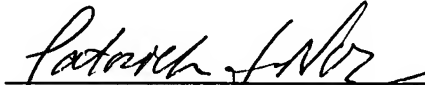

Before further review, the examiner must mail a PTOL-90 that will include in the amended Evidence Relied Upon section, the list of references mentioned in the Grounds of Rejections. See the Manual of Patent Examining Procedure, (MPEP) § 1207.02. Appropriate correction is required.

Accordingly, it is **ORDERED** that the application is returned to the Examiner to:

1) issue and mail a PTOL-90 having the missing references listed under the Evidence Relied Upon section, heading (8) of the Examiner's Answer; and;

2) for such further action as may be appropriate.
